“Through an analysis report of the business environment, it has been brought to his notice that in the coming years, shopping at a mall will not be a necessity for the buyers as purchases can be made online from anywhere and at any time with ease and at the consumer’s convenience. Hence, malls will have to provide much more than shopping to be able to attract customers.”

The term ‘opportunities’ refers to the positive external or changes that will help a firm to improve its performance.

“As a result, the company gains enormously by getting the first mover advantage.”

Q. 11. “Zero Defect Zero Effect” (ZED) is a slogan coined by the Prime Minister of India, Narendra Modi with reference to the Make in India initiative launched by the government. The slogan reflects the efficiency of production processes, i.e. the products have no defects and the process through which the product is made has zero adverse environmental and ecological effects. The Zed model aims to make India the manufacturing hub of the world and prevent the products developed in India from being rejected by the global market.
Moreover, before the initiative was launched, the limits of foreign direct investment in various sectors had been relaxed. The application for licences was made available online and the validity of licences was increased to three years. Various other norms and procedures were also relaxed by the government.

In the light of the above paragraph, identify and explain the major component of New Economic Policy of 1991 that are being referred to by quoting lines from the paragraph.

Ans. The major components of New Economic Policy of 1991 that are being referred to are as follows:

- **Liberalization**: The economic reforms signaled the end of the licence-permit-quota raj and were aimed at liberalizing the Indian business and industry from all unnecessary controls and restrictions.

“Moreover, before the initiative was launched, the limits of foreign direct investment in various sectors has been relaxed. The application for licences was made available online and the validity of licences was increased to three years. Various other norms and procedures were also relaxed by the government.”

- **Globalization**: Globalization means the integration of the various economies of the world leading towards the emergence of a cohesive global economy.

“The ZED model aims to make India the manufacturing hub of the world and prevent the products developed in India from being rejected by the global market.”

Q. 12. Over the years, e-business in our country has witnessed tremendous growth due to several reasons. There is significant improvement in the Information Technology infrastructure over the last decade as the Government has taken important steps in high-speed Internet connectivity. As a result, the broadband networks have not only become better but also more affordable. Additionally, Government is trying to make rural India connected through broadband – a great possibility for e-business to expand the retail market by reaching out to the most remote rural customer. Another catalyst strengthening the e-business segment is the country’s favourable demography. It has more than 50% of its population below the age of 25 and more than 65% below the age of 35. It is expected that, in the year 2020, the average age of an Indian will be 29 years, compared to 37 for China and 48 for Japan, this promises for phenomenal increase in e-business. Moreover, the penetration of the smartphone in a large section of the population has aptly addressed the problem of compute illiteracy. Not with standing the fact that consumers also prefer e-business due to multiple factors like convenience, time etc.
Identify and explain the various dimensions of business environment being referred to in the above case.

Ans. The various dimensions of business environment being referred to in the above case are as follows:

1. Political Environment:
2. Technological Environment:
3. Social Environment:

Q. 13. Beni, after completing her MBA, took up a job a multinational company named ‘Fortio’. The company was paying good salary and perks to its employees. Q. 37. To mark the celebrations of International Family Day on 16th may 2016, Kurkure flagged off India’s first family food train – Kurkure Family Express at New Delhi. The train took forty families on a fun culinary experience of a lifetime through an eight-day journey across fourteen states in India. A whole lot of fun activities were hosted on the train by the travel and food anchors Rocky and mayor.

The families were selected through an online campaign, ‘Chatpata family photos’. The contest attracted approximately 1,000 entries, of which 40 entries that gelled with the brand’s image were selected.

The core idea of the campaign was to bring families from across India together over a journey like this. As in today’s time, everyone is busy with their life the family members may feel disconnected with each other.
